TILE BLUSH

Tile Blush is pleased to present: *Origins*. *Origins* will be on view from February 5 to 9, 2020 at ZsONA MACO, in Mexico City.

Origins is a distanced collaboration between Lynne Golob Gelfman and Jonathan Gonzalez. Exploring the evolution of Gelfman's *thru* paintings from their gridded modernist origins in the late 1960s, to her experimental reverse paintings of the '70s to her current manipulation of the technique and its exploration of new forms, colors, and patterns.

It is this notion of primitive beginnings that forms the conceptual framework for the environment designed by Jonathan Gonzalez. Mud walls meet the existing concrete floors and a new collection of furniture design and lighting will be presented alongside the paintings of Gelfman. The neo-rustic wood furniture crafted in Mexico specifically for *Origins* will be for immediate purchase in the booth. Disrupting the typically static presentation of art at fairs.

As the furniture layout evolves over the course of the exhibit, so too will the paintings on the wall. Allowing patrons multiple readings of *Origins* on each successive visit to the booth.
