TILE BLUSH

Tile Blush is pleased to present *Demo(s): Levels&Bosses*, a solo exhibition by Leo Castañeda. *Demo(s): Levels&Bosses* will be on view from April 24th to May 29th, 2021, with an opening reception for the artist to be held on Saturday, April 24 from 6 - 9 p.m. The Offsite exhibition will be held at the studio of Jason Galbut located at 255 NE 69th Street, Miami, FL 33138.

Mutating between analog and digital, *Demo(s)* renders worlds where landscapes, technology, and entities all share sentience and interconnection. A solo exhibition of paintings, video, and sculpture, *Demo(s)* traverses sci-fi gaming environments inspired by 18th-century Romantic painting, Latin American abstraction, and the liminal landscapes of Colombia and the Brazilian Amazon. A prototype for *Levels&Bosses*, a video game following *The-Other* on a quest to understand their power after a cataclysmic explosion, *Demo(s)* is part of a greater body of work exploring post-human anatomies and interactions through transmedia mythology.

In order to comply with regulations and assure the safety of everyone, Tile Blush asks all guests to wear a mask. Masks will be available for those without one.
